FLEX - HAS BEEN NOMINATED FOR CMOLIK PRIZE FOR THE ENHANCEMENT OF PUBLIC EDUCATION IN BC

Awarded biennially, this \$100,000 prize will recognize recipients who have developed and implemented an invention, innovation, concept, process or procedure that enhances educational practice in the K-12 public school system in BC.

Nominees: Bradley Cunningham, Heather Coey, Greg Downing, Tom Aerts

From the humanities perspective: The poets-in-residence went exceedingly well. We have an author visit, Sabina Khan, coming up next week where she will speak about being an author and do a writing workshop with our students. Our model parliament is coming along and we had a visit from the Legislative Interns before the break to help shape the bills the parties will be introducing.

Our robotics team, with several Flex students, will be going to the world championships in Houston! We will be doing work on the school front Garry Oak area next week after "solarizing" to get rid of weeds with the help of Saanich who will be donating soil, mulch and tools plus seed :-)
It is phase 1 of 4 as we reclaim the area section by section.
Galiano Field trip on the topic of Alternative Energy will be at the end of the month
We will also be taking part in the Aquaculture Canada Conference on May 7th at the Victoria Conference Centre & Mechosin Aquaponics

And we started incubating our chicken eggs today!

We also just finished our Chemistry Pancake cook-off today...went really well

Also they may be interested to know it is Spirit Week next week at school.

Starting this Friday with the staff vs student Hockey Game at Pearkes Arena... everything Free including hot dogs and hot chocolate

Mustache Monday... face or finger painting in the foyer at lunch or make/wear own mustache creation
