Graduation 2020

Virtual Assembly May 1 2020

Zooming 101

- Using video to share your picture is optional
- Respectful behaviour and following our school Code of Conduct is NOT :)
- We will have the chat feature open for you to post questions
 - Private messaging
- Remember to please stay on MUTE or we can hear everything in the background (dog barking, mom asking you to clean your room etc)

The Zoom logo, consisting of the word "zoom" in a bold, blue, sans-serif font.

WE MISS YOU!!!

- Learning continues (remotely)
- ALL grads in position to grad will have an opportunity to do so
- You have received a term 3 mark already - accessible through MyEd Student Portal
- You will receive a final mark for each of your classes
- Post secondaries are still accepting as per normal

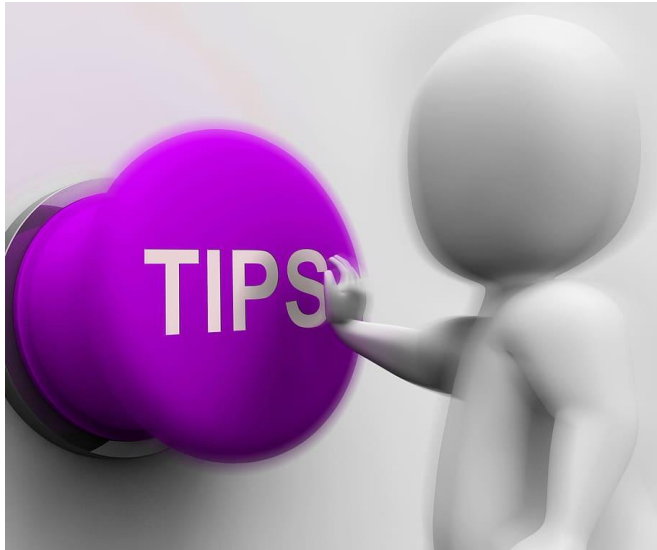

What we are not sure about

- Graduation numeracy assessment -
for those who have not yet written
- If we will be back at school in May or
June
- What graduation might look like for the
grads of 2020

Remote Learning

Do I really need to engage in this?

- **Pro Tip - YES you do**
- Your final mark will be a combination of your term 3 mark and your remote learning
- More weight for term 3 but both count
- Marks can go up and down. You can end up not passing or potentially not graduating - if you don't engage

Grad

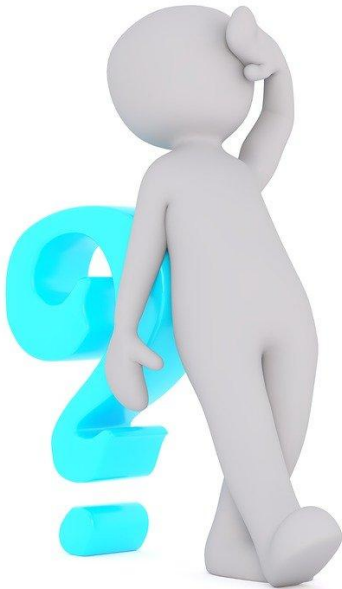

What we know

- Sorry but no grad at UVic
- No dinner/dance at Laurel Point
- Both venues have cancelled our rentals

Grad what we need to think about

- Possible virtual event
- Will be meeting with grad council next week (Wednesday at 2:00 pm)
- Valedictorian?
- Grad song?
- Caps and gowns still?
- Baby photos?
- Lots to think about
- Most likely a survey to follow to grad class about some of these

The future ahead

BACK
TO THE **FUTURE**

- This is HARD. Grading is hard enough never mind a Pandemic being added.
- Your mental and physical health is very important to us.
- You need to take care of yourself during this time. Exercise, get outside, sleep.
- Though schools are closed to students currently we are still working - reach out if needed or if you are concerned about a friend.

We all miss you and wish you were here with us
