

REYNOLDS SECONDARY SCHOOL 2020-2021 STUDENT SAFETY PROTOCOLS

We are happy to have you back at school and want to make sure that we keep our school safe for everyone. It is important that **all** safety routines and protocols are followed closely.

WHAT YOU CAN EXPECT...

- our school will be divided into 8 zones. Each zone will have a **designated** entrance/exit and assigned washrooms. Students **must** enter by the door closest to their scheduled class
- students are **required** to apply hand sanitizer and/or wash hands when entering and exiting the building
- thoroughly washing your hands with soap and water is the best protection against illness. Make sure you wash your hands frequently and for at least 20 seconds. When a sink isn't available, use the hand sanitizer provided around the school
- **masks must be worn** in common areas and where physical distancing cannot be achieved, such as hallways, stairways and common learning spaces or common areas during breaks
- students must be **physically distanced** at all times in the halls and common areas and limit contact within your cohort(s)
- walk on the **right hand side of the hallway** at all times and be mindful as you come around corners and on stairwells
- pack food that does not require preparation; microwaves and kettles are not available

DAILY SCHEDULE

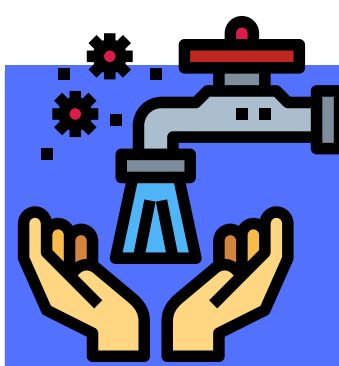

- students are asked to arrive to school and go **immediately** to their class. Doors will be unlocked just prior to morning classes
- students who are not attending an afternoon class must leave the property **immediately** after morning dismissal
- lockers are not available except in exceptional circumstances

FEEL SICK AT HOME OR SCHOOL?

- complete a health safety check every day before coming to school. Do you have any cold or flu like symptoms or other respiratory symptoms? If so, contact the school to excuse the absence
- feeling sick while at school? Let your teacher or the office know immediately.
- the office will contact home and have someone pick you up as soon as possible. Do not leave without reporting your illness.
- when home, contact your health-care provider immediately or call 811 and inform them of your symptoms. Follow their directions.

BATHROOMS AND WATER FOUNTAINS

- use **only** the bathroom in your assigned zone
- **maximum** 2 people in the bathroom at one time; maintain physical distancing
- handwashing guidelines are posted in washrooms
- hands must be sanitized upon re-entry into a learning space
- water fountains are available only for filling water bottles. Wash or sanitize hands before and after use

All students and families should familiarize themselves with the school district's complete COVID-19 Exposure Control Plan available at www.sd61.bc.ca

IF YOU FEEL SICK OR HAVE SYMPTOMS, STAY HOME
