

# REYNOLDS SECONDARY SCHOOL 2020-2021

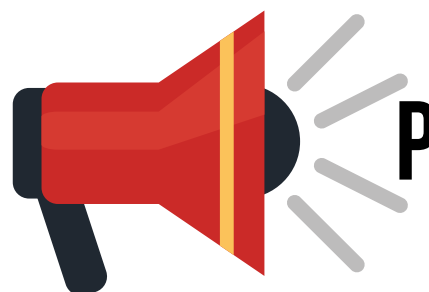

## SAFETY PROTOCOLS: SCHOOL ZONES

It is important that we maintain physical distancing as much as possible when we travel in common areas, even with our Learning Groups. To help this, we have divided the school into separate zones. **Students should enter and leave by the zone closest to their classroom, and only use the assigned washroom for their class' zone.** Students who have classes in both the morning and afternoon may have two zones in one school day.

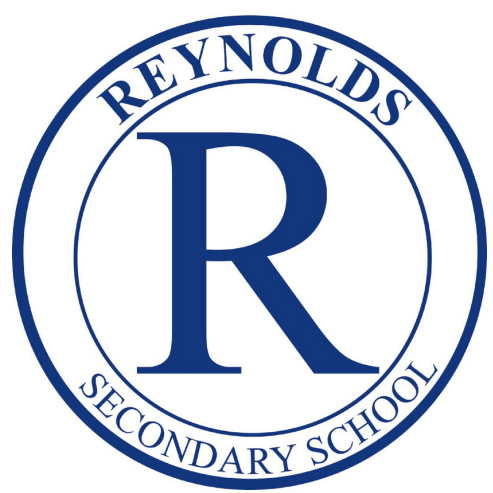

**REMEMBER THAT STUDENTS ARE REQUIRED TO WEAR A MASK  
IN ALL COMMON AREAS, INCLUDING HALLWAYS**

**Walk on the right side of the hallway at all times.**

**PLEASE NOTE: IN THE EVENT OF AN EMERGENCY, USE THE NEAREST AVAILABLE EXIT**
