Assessment Palooza

Assessment Palooza returns November 1st and 2nd, where we run 2 Copernican days and schedule our Ministry assessments. Here's what you need to know:

- A full schedule of when and where our grade 10s, 11s, and 12s are writing their assessments is posted throughout the building – students should be checking and making note of their assessment(s) dates, times and locations
- During the week of October 23rd – 27th, A block teachers will be reviewing a slideshow about the Ministry assessments. If you would like to preview the slide show, [it is available here.](#)
- During the Assessment Palooza on November 1st and 2nd, if a student is not writing an assessment, they go to their regular (extended length) classes.
- Grade 9s do not write any Ministry Assessments and will attend regular (extended) classes on November 1st and 2nd.
- If a student is ill and unable to write their assessment, they will write it the following year. If the student is in grade 12, they will write their missed assessment(s) later this school year
- If you have any questions about Assessments, please reach out to Ms. Kirzinger at emkirzinger@sd61.bc.ca

CEDAR HILL MIDDLE SCHOOL PROJECT REPORT

SCHOOL REPLACEMENT- PROJECT UPDATE #3

3910 CEDAR HILL ROAD

OCTOBER 18, 2023

As of Wednesday, October 18:

- The construction site has temporary power and site office is set up.
- Fortis Gas has installed a new gas line to run the current school boilers.
- The staff parking lot access road has a newly marked crosswalk for students to safely cross as they come down the path from Shornecliffe Road.
- Excavation of the site has begun.
- The existing utility lines will be rerouted.
- The updated Daily Physical Activity route map has been sent to families.
- Additional outside time equipment is available.
- The school has been given several large branches from the tree removal to use for art projects. Wood drying for the trees may take up to one year.
- Photos & videos of the construction site are taken regularly.

On or after Wednesday, October 18:

- There will be 4 x Four Square Game courts added to the back student outdoor area.
- There will continue to be large construction vehicles coming and going on Cedar Hill Road and Gregory Place.
- The construction may cause additional traffic throughout the day. We would like to emphasize the importance of students who are walking and using the marked cross-walk on Cedar Hill Road to take time to:
 - STOP to press the button for the cross-walk lights to flash and
 - TO WAIT until all cars have come to a complete STOP and
 - LOOK BOTH WAYS before crossing.
 - Students on bikes should WALK BIKES ACROSS the crosswalk.
 - Safety first.

Questions and concerns can be directed to facility@sd61.bc.ca
