Reynolds Lunch Program - February to March

The first month of our lunch program with Flourish! School Food Society has been a huge success and we are excited to continue to offer it to our school community. It has been great to see students' smiling faces as we have been offering hot, delicious, fresh food. Our primary goal is to provide food for those students and families who need it cost free. It will continue to be available for those students and families that need it and you do not need to do anything to continue to access this service.

In addition, this service is open to all students in our school and is available for purchase if you are interested. Families indicated that they would be interested in signing up for a partial service. There are 2 options available for purchase: 5 days a week and 3 days per week (Monday, Wednesday, Friday). Please see the options below. We require students to be registered so we can ensure we have enough food. The cost is \$7.00 per meal.

Option 1 - 5 days per week (February 5th - March 15th)

- 28 meals @ \$7 = \$196

Option 2 - 3 days per week Monday/Wednesday/Friday (February 5th - March 15th)

- 16 meals @ \$7 = \$112

Please sign up for the Reynolds lunch program by January 29th through School Cash Online or click below:

Please note that the Flourish! kitchens are peanut/nut-free but cannot assure no contact with other allergens. If you have questions about allergens or other concerns, please contact Flourish! At matthew@flourishschoolfood.ca or 250-661-8282. For an example of menu options, please see the [Flourish! Website](#) and click on the January Middle and Secondary Menu options. We are unable to accommodate student meal preferences. If your student has an allergy, please indicate upon sign up through School Cash Online.

All meals will be served in a barrier- and stigma- free manner. If you would like your student to participate in the program but the cost is a barrier, please reach out to reynolds@sd61.bc.ca. We are gathering information and look to provide ongoing support wherever possible. Implementation plans are underway, and we want to ensure families are aware, and as always, able to reach out if they require support. All requests will be treated with dignity and your privacy will be respected. We want to work with families to ensure that your children have everything they need in order to be successful at school. Please do not hesitate to reach out if we can help.
