Reynolds PAC:

If you're the parents or caregiver of a Reynolds student, you're automatically a member of Reynolds' Parent Advisory Council. Meetings are typically the first Wednesday of each month (7:00-8:00pm) in the library. Everyone is always welcome (especially new faces!). Hear first-hand from school admin about what is going on and help decide how to support Reynolds' students and staff in a variety of activities.

Next meeting is February 5, 2025 @ 7pm. Hope to see you there!

Please also consider supporting Reynolds' PAC by clicking on the "Make a Donation" button on Reynolds' homepage (or click on [this link](#)). Choose **Reynolds Secondary-PAC** in the "Fund Destination" box. Donations made this way are considered charitable donations for income tax purposes. And, if you have already donated, students & staff thank you!

Calling for library returns or renewals ASAP!

If your students have checked Library out books for silent reading/ individual reading/ a class project this semester, or if they have textbooks they are no longer using, it would be most appreciated if they could come by and renew or return these books ASAP. There are over 300 overdue books that need to be returned or renewed.

January Provincial Graduation Assessments

Students who are needing to write a provincial assessment (Grade 10 Literacy Assessment, Grade 12 Literacy Assessment or Grade 10 Numeracy Assessment, French Immersion 12 Assessments) have been contacted by email. If you believe you need to write an assessment or wish to re-write an assessment, you can contact our Vice Principal Mrs. Boniface at mboniface@sd61.bc.ca.

Peer Tutoring:

Peer Tutors are available in every subject and at all times of the day to support students who need extra help in their classes. Please use the following link to sign up for Peer Tutoring. <https://forms.gle/se0EfyNz28w7BMiv7>

Lunchtime Math support is also available every lunch hour in room 113. Students are welcome to drop in any time they want to connect with a tutor or if they just need a supportive environment to work on their Math homework.

Did you know??.....

If your student is going to be absent and you want it to be excused, we must hear it directly from a parent/guardian (not student) and the information should be sent directly to the office (teachers don't always remember to pass that information along).
