### Reynolds PAC:

If you're the parents or caregiver of a Reynolds student, you're automatically a member of Reynolds' Parent Advisory Council. Meetings are typically the first Wednesday of each month (7:00-8:00pm) in the library. Everyone is always welcome (especially new faces!).

Hear first-hand from school admin about what is going on and help decide how to support Reynolds' students and staff in a variety of activities.

**Next meeting is February 5, 2025 @ 7pm.** Hope to see you there!

Please also consider supporting Reynolds' PAC by clicking on the "Make a Donation" button on Reynolds' homepage (or click on [this link](#)). Choose **Reynolds Secondary-PAC** in the "Fund Destination" box. Donations made this way are considered charitable donations for income tax purposes. And, if you have already donated, students & staff thank you!

### Calling for library returns or renewals ASAP!

If your students have checked Library out books for silent reading/ individual reading/ a class project this semester, or if they have textbooks they are no longer using, it would be most appreciated if they could come by and renew or return these books ASAP. There are over 300 overdue books that need to be returned or renewed.

## **Scholarship opportunities for Reynolds Grads:**

Various families and donors have generously provided scholarships for Reynolds grads. There are **six** scholarships featured on the [Reynolds Common Application](#), each with different criteria and ranging from \$500 to \$2500. Deadline to apply is May 1. Click [here](#) to access the application.

## **Peer Tutoring:**

Peer Tutors are available in every subject and at all times of the day to support students who need extra help in their classes. Please use the following link to sign up for Peer Tutoring. <https://forms.gle/se0EfyNz28w7BMiv7>

Lunchtime Math support is also available every lunch hour in room 113. Students are welcome to drop in any time they want to connect with a tutor or if they just need a supportive environment to work on their Math homework.

## **Did you know...? Learning Updates are Coming Soon!**

Learning Updates are published on Feb 13<sup>th</sup> in Parent Connect. Are you set up with Parent Connect?

You can find information about that here:

<https://reynolds.sd61.bc.ca/parent-info/parent-portal/>

## **Goal Reflections (A Block) By February 12th**

All students will be reflecting on the goals they set for themselves in the first term. Students who have a spare A block or who miss doing a reflection in their class, can use [this slideshow](#) to help them reflect on their goal or make a new goal. Parents and guardians, you can view your child's goal in Parent Connect along with their learning updates.

## **Immunizations**

Any grade 9 students (or grade 10 students who have received an email from our office) who missed immunizations last week can come to the next immunization clinic on Feb 5<sup>th</sup> at 9:00 am in the library. A reminder email will be sent home to all students who missed the last clinic. Grade 11/12 students will be receiving info about HPV vaccinations in February.
