Ministry Assessments

Parent Teacher Interviews:

Please see link in this email to the letter and instructions for Parent Teacher Interviews coming up on April 3rd. This will also be sent out in a separate email toward the end of the break. The altered bell schedule for that day, due to early dismissal is included below. Bookings will open on March 31st at 7:30am. Please do not try to book before then as you will not be able to see any of the appointments.

RBC Training Ground:

RBC Training Ground is a talent identification and athlete funding program designed to find young athletes with Olympic potential, and provide them with the resources they need to achieve their podium dreams.

With the belief that high performance sports should be accessible to all athletes that are talented, qualified and have the will to compete, this program travels the country searching for athletes between the ages of 14 and 25 that will fuel the Canadian Olympic pipeline. [Register here](#)

Reynolds Athletes of the Month are Amelia A and Preston S

Mimi (Amelia) was a great contributor to the senior girls basketball team. She was encouraging to all of her new to basketball teammates and continued to support the team even when injured. She was a key member in the game allowing the team to qualify for the islands in a playoff game and helping the team achieve a 4th place finish at the islands, while getting a Player of the Game award. Mimi is also the goalkeeper and a leader on the Senior Girls Soccer team as their season is just beginning this Spring.

Our other athlete this month is Preston who is on the Ski & Snowboard team. After a season of strong results at the Island Zone races at Mount Washington, Preston earned a spot to represent Reynolds at Provincials. He showed incredible skill and speed throughout the 3-day competition, placing an impressive 21st in the Terrain Giant Slalom against the top snowboarders in the province at Troll Mountain.

Congratulations, Amelia and Preston.

Peer Tutoring:

Peer Tutors are available in every subject and at all times of the day to support students who need extra help in their classes.

Everyone is welcome to join study groups hosted by our peer tutors. Please see the attached link to learn when and where the groups meet each week
