Life After Reynolds

Mrs. Turnbull in the Career Centre.

Post-secondary does not always mean university or college. For some it means volunteering, travelling and/or working. Whatever it is, we are here to support you as you start that journey.

Applying to post-secondary can be a complicated process - make sure you read all instructions carefully and check your email regularly. We are here to help you, but ultimately the responsibility is yours to apply and follow up with your institutions.

important stuff

Student Transcript Service (STS)

There is a VERY IMPORTANT process for ordering and sending transcripts to post-secondary institutions. Students proceeding to post-secondary MUST complete this process to have transcripts sent. **You can do this now.**

If you need INTERIM grades sent **prior to February**, transcripts (both electronic and hardcopy) need to be ordered from the office (please specify that they need to include interim grades).

If you would like to register for the transcript service now, you may do so at :

<https://www2.gov.bc.ca/gov/content/education-training/k-12/support/transcripts-and-certificates>

All post secondary info sessions will be posted to the App, TV's and the Career Centre website, please check often.
