Thursday, October 30 <sup>th</sup>	Halloween Dance (details forthcoming)

### Absences/Lates:

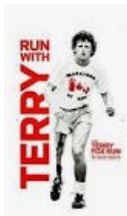

Your learning is important! Regular attendance is critical to your success in your courses. Being on time is also important. When students are late, this is both detrimental to their learning, and disruptive to the classroom environment. If you are more than 30 minutes late for a class, come to the office to get a **late slip**. If you have a break from class, use it responsibly.

### Grad Pinnies:

Orders for Grad Pinnies are due by Friday, September 26<sup>th</sup>. Price is \$50 and can be purchased via School Cash Online. If you have any questions, please see Ms. Johnson in the office.

### Terry Fox Run:

The annual Terry Fox run is happening on Thursday, September 25<sup>th</sup> during C block, starting at 12:50pm. Students are encouraged to bring toonies to their A block classes for teachers to collect during the week. Our goal is to fundraise \$2,000. Contact the office for more information if you'd like to donate.

### School Lunch Program:

Lunch Program: We are happy to once again provide a hot lunch program for students. Information on ordering and details can be found here:

<https://reynolds.sd61.bc.ca/parent-info/school-lunches/>

### We want your magazines!

Our Art Department is looking for magazines that might otherwise be destined for the recycle bin for class projects. Please see any magazines you may have with your student. They can be dropped in the office or with Ms. Anderson in room 264.

### Peer Tutoring:

Peer Tutors are available in every subject and at all times of the day to support students who need extra help in their classes. Please use the following link to sign up for Peer Tutoring. <https://forms.gle/se0EfyNz28w7BMiv7>

### Reynolds PAC

If you're the parents or caregiver of a Reynolds student, you're automatically a member of Reynolds' Parent Advisory Council. **Our next meeting is on October 1<sup>st</sup> at 7pm in the library.** Please come and join us to find out more about being involved in the PAC! Everyone is always welcome! You can also follow Reynolds PAC on Facebook and Instagram (reynoldspacsd61)!

ALL SD61 PARENTS & STUDENTS  
**YOU ARE INVITED!**

### Reynolds-Lasalle Storm Drain and Watermain Upgrades

#### What's happening?

The District of Saanich is commencing construction for a storm drain main and watermain upgrade project on Reynolds Road and Lasalle Street. The first phase of this work will be the storm main along Lasalle Street and Reynolds Road, followed by watermain works along Reynolds Road.

#### Why are we doing this?

The existing storm drain has been determined to require replacement due to condition and recent failures in the area. Watermain replacement is due to increased capacity requirements.

#### Project Impacts

Vehicle access will be impacted by single lane alternating traffic. Traffic control personnel and signage will be in-place to help direct vehicles, cyclists, and pedestrians through the work areas. Construction work will take place between Monday-Friday.

#### Stay Connected and Informed

<https://hello.saanich.ca/projects/reynolds-lasalle-upgrades>

#### Project Location

#### Project Timeline

Project construction is scheduled to commence in mid-September 2025 and anticipated to be completed in 3 months.

Following the drain and watermain upgrades an Active Transportation project will begin in Spring 2026. Additional project information to be provided winter of 2025.

Visit [www.saanich.ca](http://www.saanich.ca) to keep up to date on project progress. If you have any questions or concerns please, contact Engineering at [engineering@saanich.ca](mailto:engineering@saanich.ca) and ask for Bharat Trehan. Thank you for your patience as we continue to work on this project. Find us online [facebook.com/SaanichBC](https://facebook.com/SaanichBC) or [twitter.com/saanich](https://twitter.com/saanich)

## Quadra/McKenzie Plan:

The Municipality of Saanich are very eager for community members to take part in the District's additional round of engagement on the [Updated Quadra McKenzie Plan](#). This long-term vision for the future of the area will shape the homes we build, the streets we travel on, the parks we enjoy and the neighbourhoods we live in.
