Reynolds Gives: Thanks!

Thanks to everyone who supported our 2025 Reynolds Gives campaign for Foundry Victoria! Our school community raised both funds and awareness for this amazing community group, and we had a lot of fun along the way. This campaign is meaningful for a variety of reasons, but importantly it is giving our students the opportunity to contribute to our community in a meaningful way.

We did...chuck it in the bucket, care packages, the car wash, tape the teacher, the bake sales, the greeting card sales, the classroom challenge, the movie night, pie the teacher, the teacher challenge coin drive, the Island Health info booth, the open mic and talent show, the staff and students dodgeball games, online fundraising, and of course we had the wrap up celebration with cake! **Thanks to our combined efforts, we raised \$4138.60 for Foundry Victoria.**

Way to go Roadrunners and our Reynolds Community!

Did you know? Why did I stop getting emails when I installed the Reynolds App?

If you were receiving email notifications before you installed/signed in to the app, you may stop receiving those emails now that you can receive push notifications. In that case, if you wish to continue receiving notifications by email as well, you can enable that in the app.

From the Home screen, tap the User Settings icon (just to the right of your name). Then, tap **Account & Notifications**. Tap to see the options under **Email Notifications** and choose Yes or one of the other options. Then tap **Save Changes**.

Core Competency Goal Setting:

Students will be asked to set a goal for semester 1 related to a core competency area during their Block A classes. If you/your student does not have a Block A class, or they missed this activity in class, follow the instructions below. All students must set a goal by November 21st. These goals will be viewable in Student Connect and Parent Connect along with their learning update. Students can stop by the office for a Goal Setting Planning Sheet if they need one!

1. View the [Slideshow](#)
2. Complete the [Goal Setting Planning Sheet](#) (includes instructions for adding your goal to Student Connect)

Reynolds Reybots Silent Auction – call for donations:

Building a robot, team travel and all the expenses that go along with the season come with quite the price tag so, once again, we're super excited to kick off our fundraising early in the season with an online silent auction starting on November 21st running through to the 30th. We need everyone's help to make it amazing! Last year's auction was very successful so we're hoping to be able to do it again this year.

We are reaching out to ask for everyone's help in getting donations. Do you or your friends and family have any businesses that can donate items, gift certificates or experiences? Here are a few ideas to get you thinking:

- Small items that can be bundled into Gift baskets
- Gift cards to your favorite spots
- Sports gear
- Event tickets
- Handmade goodies
- Fun experiences or services
- Reybots students can ask their employers for donations
- Print out the donation request letter and ask at places you or your family frequent - your favourite coffee shop, restaurant, gym.
- Email some of your favourite businesses and ask for their support.

Every donation is important, and all efforts in getting donations will make a big difference for our team.

Thanks so much for being such an amazing community! Reynolds Reybots Fundraising Crew
