Reynolds Families are invited to share photos of family members who have served/are serving with a small write up to be included in our Remembrance Day Ceremony/Assembly. Please email them to [reynolds@sd61.bc.ca](mailto:reynolds@sd61.bc.ca)

## **Did you Know?:**

If your student will be away, is arriving late, or leaving at any point during the day, please inform the attendance line either by phone **250-479-1643** or email

[reynoldsattendance@sd61.bc.ca](mailto:reynoldsattendance@sd61.bc.ca). Messages received by 3:00 pm will be recorded for the day. Messages later than that will be dealt with the following morning and an email notification via our automated system will be sent out if your child was away for any part of the day. If notifying your student's teacher, please be sure to copy the attendance

email or call it in to the office directly. Quite often the information does not make it from the classroom to the office in a timely manner. If students are late or are coming/going during the day they must sign in/out in the office, even if the school has been notified in advance of the absence.

You can also find this information on our website here: <https://reynolds.sd61.bc.ca/student-info/attendance/>

## Helpful Halloween tips for school:

## Assessment Palooza:

We are running a modified schedule on Monday, November 3rd and Tuesday, November 4th in order to invigilate the Literacy 10, Numeracy and Literacy 12 assessments. See schedule below.

Please ask your grade 10, 11 or 12 students to look at the schedules posted around the school and remember where and when they are writing.

This [slideshow](#) will be shared with students about Ministry Assessment. If you have any questions, please reach out to Mrs. Boniface.

# GRADE 12'S!!!

## How full is your personal GMAIL storage??

We encourage you to use your personal email when communicating with Post Secondary Institutions (PSI's)

If you use Gmail and it gets too full you won't be able to send/receive messages. There will be a warning on screen, but many people miss it.

This can be problematic when communicating with PSI's

Check your storage and make some space if necessary so nothing gets missed!

## **Important E-Bike Awareness:**

Our local Saanich Police Liaison officers have been working to spread the following information to any students (and their families) who are travelling to/from school on E-Bikes. At present, E-Bikes over 250 watts are legal as long as they have a maximum continuous power output of 500 watts and a maximum assisted speed of 32 km/h. These are categorized as "standard" e-bikes in British Columbia and can have either a throttle or pedal assist. In comparison, E-Bikes that exceed these specifications (750 Watts or more) are not legal for use on public roads and may be treated as motor vehicles, which can lead to fines, insurance issues, and seizure. As such, students with E-Bikes that exceed the basic specifications listed above should not be riding back/forth to school.

## **Reynolds Reybots Silent Auction – call for donations:**

Building a robot, team travel and all the expenses that go along with the season come with quite the price tag so, once again, we're super excited to kick off our fundraising early in the season with an online silent auction starting on November 21st running through to the 30th. We need everyone's help to make it amazing! Last year's auction was very successful so we're hoping to be able to do it again this year.

We are reaching out to ask for everyone's help in getting donations. Do you or your friends and family have any businesses that can donate items, gift certificates or experiences? Here are a few ideas to get you thinking:

- Small items that can be bundled into Gift baskets
- Gift cards to your favorite spots
- Sports gear
- Event tickets
- Handmade goodies
- Fun experiences or services
- Reynolds students can ask their employers for donations
- Print out the donation request letter and ask at places you or your family frequent - your favourite coffee shop, restaurant, gym.
- Email some of your favourite businesses and ask for their support.

Every donation is important, and all efforts in getting donations will make a big difference for our team.

Thanks so much for being such an amazing community!
