See other side for Assumption of Risks →

Assumption of Risks:

*I am aware that skiing, snowboarding, Nordic skiing, ski boarding and snowshoeing involve risks, dangers and hazards and that injuries are a common and ordinary occurrence of these sports.

Skiing: I understand that the ski boot/binding system may not release during every fall or may release unexpectedly. The ski boot/binding system is no guarantee that the user will not be injured.

Snowboarding, /Nordic/Telemarking/Ski board/Snowshoe: I understand that the boot/binding system is not designed or intended to release and will not release under normal circumstances. I understand that as the boot/binding system is a non-release system this system will not reduce the risk of injury during a fall and will increase the risk of not surviving an avalanche.

Helmets: I understand that a helmet designed for RECREATIONAL SNOW SPORTS use will help reduce the risk of some types of injuries to the user at slower speeds. I recognize that serious injury or death can result from both low and high energy impacts, even when a helmet is worn.

2. All students and supervisors who will be skiing or boarding and are "Beginners" (having fewer than three full days of experience) are required to take lessons at the beginning of the day before accessing the hill. As part of the lessons the instructors will determine which areas of the mountain students will be allowed to access. Some students may be limited to lower mountain lifts and easier runs.
3. All students who will be skiing or boarding and are "Intermediate" (having at least three full days of experience) or "Advanced" (very experienced, expert skier or boarder) are required to take lessons as early in the day as the resort can accommodate.
4. Beginners are strictly forbidden from entering terrain parks or other areas of jumps, rails, chutes, etc. All students are forbidden from skiing out of bounds.
5. Any student found to be in contravention of rules, particularly in regard to helmets/wrist guards, lessons, dangerous or risky behaviour, or being out of bounds, will have their privileges immediately revoked for the remainder of the day. Further measures will be taken as necessary in terms of disciplinary action at the school, and parents will be informed.
6. Students will abide at all times by the direction of trip supervisors and patrol staff that work for the resort.

SKI TRIP/SNOWBOARD PERMISSION AND CONSENT FORM (continued)**Skier/Snowboarder Level (please check one)**

- ☐ Beginner - having fewer than three full days of experience and skis conservatively at lower speeds. Prefers easy, moderate slopes.
- ☐ Intermediate - having at least three full days of experience and skis conservatively at a variety of speeds. Prefers varied terrain including most difficult trails.
- ☐ Advanced - very experienced, expert skier or boarder and skis aggressively, normally at higher speeds. Prefers steep and more challenging terrain.

I understand that a lesson and/or skiing/boarder with an instructor will be mandatory for my child. I am aware that intermediate advance/expert level students are sometimes permitted by hill staff to attempt tricks and jumps in terrain parks or on runs, and that these activities may pose a much greater risk of injury to these students.
