### **Important E-Bike Awareness:**

Our local Saanich Police Liaison officers have been working to spread the following information to any students (and their families) who are travelling to/from school on E-Bikes. At present, E-Bikes over 250 watts are legal as long as they have a maximum continuous power output of 500 watts and a maximum assisted speed of 32 km/h. These are categorized as "standard" e-bikes in British Columbia and can have either a throttle or pedal assist. In comparison, E-Bikes that exceed these specifications (750 Watts or more) are not legal for use on public roads and may be treated as motor vehicles, which can lead to fines, insurance issues, and seizure. As such, students with E-Bikes that exceed the basic specifications listed above should not be riding back/forth to school.

### **Accessible Parking Reminder:**

Accessible parking spaces at Reynolds are limited and reserved for those who need them. Please only park in these spaces if you have a valid permit. Thank you for your consideration.

### **Learning Updates & Core Competency Goal Reflections:**

Learning updates (report cards) will be available for viewing on Parent/Student Connect on **February 12th**. Instructions/tips on how to view Learning Updates can be found here:

<https://reynolds.sd61.bc.ca/parent-info/assessment-and-reporting-information/>

At the end of each term, students reflect on a goal that they have set for themselves. Students will be reflecting on these goals in their A block classes. If you/your student does not have a Block A class, or they missed this activity in class, follow the instructions below. Student goals will be viewable in Student Connect and Parent Connect along with their learning update. Students can stop by the office for a Goal Reflection Sheet if they need one!

1. View the [Slideshow](#)
2. Complete the [Goal Reflection](#) (includes instructions for adding your goal to Student Connect)

### **School Lunch Program:**

Lunch Program: We are happy to once again provide a hot lunch program for students. Information on ordering and details can be found here:
