## District Password Reset Process: Continuing

Our District is requiring students to change both their SD61 and SD61learn G Suite passwords in order to meet security standards.

**Students and families can help make this a smooth process:**

1. Please update your student's device with the latest software update
2. Ensure students attend their scheduled password change session

These password changes must be completed on a desktop computer and below are the scheduled dates associated with specific grades. **District Password Reset Schedule:**

1. March 3 - Grade 11 - B Block (location TBD)
2. March 5 - Grade 12 - B Block (location TBD)

On each of the days below, there will also be an opportunity to reset their passwords in C block in the computer lab for anyone who missed it. Thank you for your support of this process to ensure that student and school information is more secure.

## Coldest Night of the year:

The Coldest Night of the Year is a nationwide movement that supports local charities who serve people experiencing homelessness, hurt, and hunger. It also gives communities a glimpse of what it may be like to experience homelessness in the form of an annual fundraiser that consists of a 2-5 km walk on the coldest night of the year. This year Reynolds has organized a team that will both fundraise and participate in the walk that will take place on February 28th. To donate directly to our team scan the QR code that will take you to the Reynolds team page. We will also be hosting a number of fundraisers next week there is a Clash Royal tournament and a movie night. See posters around the school and stay tuned for more information about these fundraisers.

Thank you!
