CLC is a 4-credit course **required for graduation** in BC. It culminates in a Capstone project.

What is the Capstone?

A research project on something you are interested in learning about. Explore your topic in three ways:

- **Research:** use Youtube, websites, books.
- **Connect:** find a mentor who can listen to you and give guidance or advice.
- **Lived Experience:** Find a way to experience what you are learning about

There are Capstone examples in the Google Classroom.

There is a CLC12 Launch Assembly during Support Block on Wednesday, October 1st where our CLC teachers will provide information and answer questions.

Life After Reynolds

Mrs. Turnbull in the Career Centre.

Post-secondary does not always mean university or college. For some it means volunteering, travelling and/or working. Whatever it is, we are here to support you as you start that journey.

Applying to post-secondary can be a complicated process - make sure you read all instructions carefully and check your email regularly. We are here to help you, but ultimately the responsibility is yours to apply and follow up with your institutions.
