6. VCPAC Representative Report

Marc mentioned that the first VCPAC meeting of the year was taking place on same day as the PAC meeting (Sept. 24, 2026) and therefore could not present a report.

7. Principal's/Vice Principals Report (Bruce, Megan and Lindsay):

Bruce shared that the Administration enjoyed attending PAC meeting and appreciated the collaboration. Bruce, Megan and Lindsay like to hear the parent community voice and to present nascent projects for initial parents' reaction.

This year there are 1,036 students (including international students), over 250 Grade 9 students and a staff of 85 individuals with only 2 new teachers.

Leadership students were responsible for the Corn Roast. The event was a success.

The welcome back students Assembly was held and as tradition dictates Grade 9 students were clapped in during the Assembly. Tradition also holds that at end of year Assembly, Graduating/Grade 12 students are clapped out at the end of that Assembly.

Reynolds Secondary is now on Instagram.

Pro D Day was held on Monday September 21, 2026. The theme was “Ready for what comes next” with experts/representatives in various fields attending to speak to staff and participate in panel discussions. Topics included: AI, Communications, Industry in Community, Digital Applications.

Sports and Arts Clubs have begun. They include Musical, drum line, jazz band, volleyball, field hockey, cross country, rowing, among others.

The annual welcome Grade 9s field trip took place at Reynolds Park with games, team building, and a BBQ.

The Terry Fox run will take place during B Block on Friday (Sept. 25, 2026)

Lindsay reported that she oversees all things Graduation. The first Grad assembly took place and scholarships, the career centre, post-secondary applications, etc. were discussed. Grad pinnies are on sale and prove to be popular with graduating class students. Several events are planned: Spirit weeks, grad council activities, etc.

Megan reported that Parent Connect forms are online this year. Forms like media consent, Field trip consent, etc. should now be more efficient to process for parents. Megan welcomed PAC to comment on this process after parents have tried it.

8. Other business: No other business was tabled. The next PAC meeting is the annual AGM to be held on Wednesday October 7, 2026, 7 pm in the school’s Library. PAC meetings are held on the first Wednesday of each month during the school year.
9. Adjournment at 6:42 pm
